

Privacy Policy

General

At WearBerry, we respect your need for online privacy and protect any Personal and business Information that you may share with us, in an appropriate manner. Our practice with respect to use of your Personal and Business Information is as set forth below in this Privacy Policy Statement. As a condition to use of WearBerry Services, you consent to the terms of the Privacy Policy Statement as it may be updated from time to time. This Privacy Policy Statement applies exclusively to www.iLPG.in.

Information Recorded and Use:

- Personal and Business Information

During the Registration Process for creating a user account, we request for your name and email address and business entity information. You will also be asked to choose a unique username and a password, which will be used solely for the purpose of providing access to your user account. Your name and email address will be used to inform you regarding new services, releases, upcoming events and changes in this Privacy Policy Statement.

WearBerry will have access to third party Personal and Business Information provided by you as part of using WearBerry Services such as contacts in your WearBerry Mail account. This information may include third party names, email addresses, phone numbers and physical addresses and will be used for servicing your requirements as expressed by you to WearBerry and solely as part and parcel of your use of WearBerry Services. We do not share this third party Personal and Business Information with anyone for promotional purposes, nor do we utilize it for any purposes not expressly consented to by you. When you elect to refer friends to the website, we request their email address and name to facilitate the request and deliver a one time email. Your friend may contact us at support@ilpg.in to request that we remove this information from our database.

We post user testimonials on our website. These testimonials may include names and other Personal and Business Information and we acquire permission from our users prior to posting these on our website. WearBerry is not responsible for the Personal and Business Information users elect to post within their testimonials.

- Usage Details

Your usage details such as time, frequency, duration and pattern of use, features used and the amount of storage used will be recorded by us in order to enhance your experience of the WearBerry Services and to help us provide you the best possible service.

- Contents of your User Account

We store and maintain files, documents, to-do lists, emails and other data stored in your user account at our facilities in India. In order to prevent loss of data due to errors or system failures, we also keep backup copies of data including the contents of your user account. Hence your files and data may remain on our servers even after deletion or termination of your user account. We may retain and use your Personal and Business Information and data as necessary to comply with our legal obligations, resolve disputes, and enforce our rights. We assure you that the contents of your user account will not be disclosed to anyone and will not be accessible even to employees of WearBerry except in circumstances specifically mentioned in this Privacy Policy Statement and Terms of Services. We also do not scan the contents of your user account for serving targeted advertisements.

- **Payment Information**

In case of services requiring payment, we request credit card or other payment account information, which will be used solely for processing payments. Your financial information will not be stored by us except for the name and address of the card holder, the expiry date and the last four digits of the Credit Card number. Subject to your prior consent and where necessary for processing future payments, your financial information will be stored in encrypted form on secure servers of our reputed Payment Gateway Service Provider who is beholden to treating your Personal and Business Information in accordance with this Privacy Policy Statement.

- **Visitor Details**

We use the Internet Protocol address, browser type, browser language, referring URL, files accessed, errors generated, time zone, operating system and other visitor details collected in our log files to analyze the trends, administer the website, track visitor's movements and to improve our website. We link this automatically collected data to other information we collect about you.

Cookies and Other Tracking Technologies

We use temporary and permanent cookies to enhance your experience of our WearBerry Services. Temporary cookies will be removed from your computer each time you close your browser. By selecting 'keep me signed-in' option in WearBerry Services, a permanent cookie will be stored in your computer and you will not be required to sign-in by providing complete login information each time you return to our website. If you have turned cookies off, you may not be able to use registered areas of the website. We tie cookie information to your email address when you elect to remain logged in so as to maintain and recall your preferences within the website.

Technologies such as: cookies, beacons, tags and scripts are used by WearBerry and our partners [such as reseller partners], affiliates, or service providers [such as analytics service providers]. These technologies are used in analyzing trends, administering the site, tracking users' movements around the site and to gather demographic information about our user base as a whole. We may receive reports based on the use of these technologies by these companies on an individual as well as aggregated basis.

We use Local Storage Objects (LSOs) such as HTML5 to store content information and preferences. Third parties with whom we partner to provide certain features on our site or to display advertising based upon your Web browsing activity use LSOs such as HTML 5 to collect and store information. Various browsers may offer their own management tools for removing HTML5 LSOs.

Behavioural Targeting/ Re-Targeting

We partner with third parties to manage our advertisements on other sites. Our third party partners may use technologies such as cookies to gather information about your activities on this site and other sites in order to provide you advertising based upon your browsing activities and interests. If you wish to not have this information used for the purpose of serving you interest-based advertisements, you may opt-out .

Links from our website

Some pages of our website contain external links. You are advised to verify the privacy practices of such other websites. We are not responsible for the manner of use or misuse of information made available by you at such other websites. We encourage you not to provide Personal and Business Information, without assuring yourselves of the Privacy Policy Statement of other websites.

With whom we share Information

We may need to share your Personal and Business Information and your data to our affiliates, resellers, service providers and business partners solely for the purpose of providing WearBerry Services to you. The purposes for which we may disclose your Personal and Business Information or data to our service providers may include, but are not limited to, data storage, database management, web analytics and payment processing. These service providers are authorized to use your Personal and Business Information or data only as necessary to provide these services to us. In such cases WearBerry will also ensure that such affiliates, resellers, service providers and business partners comply with this Privacy Policy Statement and adopt appropriate confidentiality and security measures. We will obtain your prior specific consent before we share your Personal and Business Information or data to any person outside WearBerry for any purpose that is not directly connected with providing WearBerry Services to you. We will share your Personal and Business Information with third parties only in the ways that are described in this Privacy Policy Statement. We do not sell your Personal and Business Information to third parties. We may share generic aggregated demographic information not linked to any Personal and Business Information regarding visitors and users with our business partners and advertisers. Please be aware that laws in various jurisdictions in which we operate may obligate us to disclose user information and the contents of your user account to the local law enforcement authorities under a legal process or an enforceable government request. In addition, we may also disclose Personal and Business Information and contents of your user account to law enforcement authorities if such disclosure is determined to be necessary by

WearBerry in our sole and absolute discretion for protecting the safety of our users, employees, or the general public. If WearBerry is involved in a merger, acquisition, or sale of all or a portion of its business or assets, you will be notified via email and/or a prominent notice on our website of any change in ownership or uses of your Personal and Business Information, as well as any choices you may have regarding your Personal and Business Information.

How secure is your Information

We adopt industry appropriate data collection, storage and processing practices and security measures, as well as physical security measures to protect against unauthorized access, alteration, disclosure or destruction of your Personal and Business Information, username, password, transaction information and data stored in your user account. Access to your name and email address is restricted to our employees who need to know such information in connection with providing WearBerry Services to you and are bound by confidentiality obligations.

Your Choice in Information Use

In the event we decide to use your Personal and Business Information for any purpose other than as stated in this Privacy Policy Statement, we will offer you an effective way to opt out of the use of your Personal and Business Information for those other purposes. From time to time, we may send emails to you regarding new services, releases and upcoming events. You may opt out of receiving newsletters and other secondary messages from WearBerry by selecting the 'unsubscribe' function present in every email we send. However, you will continue to receive essential transactional emails.

Accessing, Updating and Removing Personal and Business Information

Upon request, we will provide you with information about whether we hold any of your Personal and Business Information. Users who wish to correct, update or remove any Personal and Business Information including those from a public forum, directory or testimonial on our site may do so either by accessing their user account or by contacting WearBerry Customer Support Services at support@ilpg.in. Such changes may take up to 48 hours to take effect. We respond to all enquiries within 30 days.

Investigation of Illegal Activity

We may need to provide access to your Personal and Business Information and the contents of your user account to our employees and service providers for the purpose of investigating any suspected illegal activity or potential violation of the terms and conditions for use of WearBerry Services. However, WearBerry will ensure that such access is in compliance with this Privacy Policy Statement and subject to appropriate confidentiality and security measures.

Enforcement of Privacy Policy

We make every effort, including periodic reviews to ensure that Personal and Business Information provided by you is used in conformity with this Privacy Policy Statement. If you have any concerns regarding our adherence to this Privacy Policy Statement or the manner in which Personal and Business Information is used for the purpose of providing WearBerry Services, kindly contact WearBerry Customer Support Services at support@ilpg.in . We will contact you to address your concerns and we will also co-operate with regulatory authorities in this regard if needed.

Notification of Changes

We may modify the Privacy Policy Statement upon notice to you at any time through a service announcement or by sending email to your primary email address. If we make significant changes in the Privacy Policy Statement that affect your rights, You will be provided with at least 30 days advance notice of the changes by email to your primary email address. You may terminate your use of WearBerry Services by providing WearBerry notice by email within 30 days of being notified of the availability of the modified Privacy Policy Statement if the Privacy Policy Statement is modified in a manner that substantially affects your rights in connection with use of WearBerry Services. Your continued use of WearBerry Services after the effective date of any change to the Privacy Policy Statement will be deemed to be your agreement to the modified Privacy Policy Statement. You will not receive email notification of minor changes to the Privacy Policy Statement. If you are concerned about how your Personal and Business Information is used, you should check back by downloading PrivacyPolicy at <https://www.ilpg.in/ebs/login> periodically.

Blogs and Forums

We provide the capacity for users to post information in blogs and forums for sharing information in a public space on the website. This information is publicly available to all users of these forums and visitors to our website. We require registration to publish information, but given the public nature of both platforms, any Personal and Business Information disclosed within these forums may be used to contact users with unsolicited messages. We encourage users to be cautious in disclosure of Personal and Business Information in public forums as WearBerry is not responsible for the Personal and Business Information users elect to disclose.

WearBerry also supports third party widgets such as Facebook and Twitter buttons on the website that allow users to share articles and other information on different platforms. These widgets may collect your IP address, which page you are visiting on our site, and may set a cookie to enable the widgets to function properly. These widgets do not collect or store any Personal and Business Information from users on the website and simply act as a bridge for your convenience in sharing information. Your interactions with these widgets are governed by the privacy policy of the company providing it.

Contact Us

If you have any questions or concerns regarding this Privacy Policy Statement, please contact us at info@ilpg.in . We shall respond to all inquiries within 30 days of receipt upon ascertaining your identity.

Processor Disclosure

This certification covers our collection, use and disclosure of information we collect through our website www.WearBerry.com and through WearBerry Services. The use of information collected through WearBerry Services shall be limited to the purpose of providing the WearBerry Services to you.

WearBerry acknowledges that you have the right to access your Personal and Business Information. WearBerry has no direct relationship with the individuals whose personal data it processes. If you are an individual user of WearBerry Services, you can directly contact WearBerry to correct, amend, or delete inaccurate data. In other cases, an individual who seeks access, or who seeks to correct, amend, or delete inaccurate data should direct such query to his data controller who may be a customer of WearBerry Services. If requested to remove data we will respond within a reasonable timeframe. We will retain Personal and Business Information we process on behalf of our customers for as long as needed to provide WearBerry Services to our customers. WearBerry will retain Personal and Business Information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

WearBerry may transfer Personal and Business Information to third party service providers that help us in providing the WearBerry Services. Transfers to subsequent third parties are covered by the provisions in this Privacy Policy Statement regarding notice and choice and the service agreements with you.
